

About our Cedar Strip Kits

Noah's has been supplying canoe and kayak kits for over 25 years. Our kits include absolutely everything to build yourself a beautiful cedar strip canoe or kayak. Included in the kits are all the items shown below (quantities will vary based on the design - see the kit page on our e-commerce site to view actual quantities supplied with each kit.)

- Building Instruction Book - either Canoe/craft, Kayak Craft or Strip built Sea Kayak.
- Full Size set of Building Plans.
- Full Length Western Red Cedar Bead & Cove strips.
- Epoxy - Either MAS, System 3, WEST or EAST System epoxy with measuring pumps.
- Premium fiberglass cloth, rolled on a tube to cover the inside & outside of your canoe or kayak.
- Full Length Ash Gunwales for Canoes or Ash Rub rails for Kayaks.
- Sheer clamps (kayaks - if required.)
- Cockpit coaming materials (either Okoume or Cedar Strips.)
- Brass Stem Bands with brass mounting screws.
- Brass Eye bolts.
- Ash Deck Blanks (for Canoes.)
- Ash Cane Seats, one small one large and seat hanging kit (for Canoes.)
- Ash Stems - precut 1/4" x 3/4" x appropriate length.
- Custom molded seat, backrest and knee pads in minicell foam (for Kayaks.)
- 3" Minicell foam for bulkheads, with adhesive to attach them.
- Hatch Cover kits (if your design has hatches) and Tie down kits.
- Ash Sculpted (Dished) Yoke and hardware (for Canoes.)
- Premium Epifanes Yacht Varnish with a high quality bristle Varnish Brush.
- Premium 3M Sandpaper (4 pcs of 80, 120, 180 & 240 grit.)
- Dural Marine Glue to glue the strips together along with a small curved tip syringe to apply the glue.
- Plastic measuring & mixing containers.
- Metal paint tray & 7" roller handle.
- 5 Epoxy resistant 7" low pile foam rollers & 5 Natural bristle disposable Epoxy brushes.
- Plastic Squeegee for applying the epoxy on the fiberglass.

Additions and Substitutions

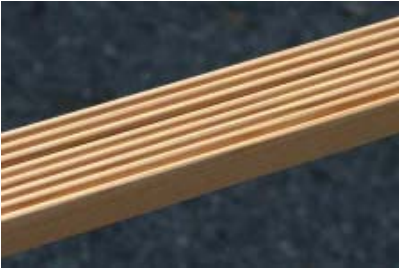

We can substitute any of the items listed above with any item in our catalog, some examples:

- Add CNC Cut station molds to any kit.
- Don't like Ash? Go with Cherry or even Walnut to finish your craft.
- Any type of epoxy is available with your kit.
- Already have something in the kit? We'll subtract it and adjust the price.

When we substitute items we charge or refund the difference in price.

About our Cedar Strips

Noah's strips are made from premium quality full length Western Red Cedar; no need for splices in your Canoe or Kayak.

The strips are cut from a single 3" plank fed through a multi head milling machine.

The resulting 8 bead and cove strips are 1/4" x 3/4" (6mm x 19mm), exactly the same profile and wrapped together in sequence as they came out of the plank.

The strips shipped as bundles for building most Canoes and Kayaks consist 8 packages of 8 strips = 64 strips, most strips are edge grain, light brown to pink, but there usually are some darker strips as well as some with flat grain.

Our kits are shipped with a few extra strips and depending on the particular design you are building, you will be able to select strips for color and pattern, when planking hulls and decks.

Accent strips of Dark Red Cedar, White Cedar, and Basswood as well as other species are also available.

Strips are carefully packed for shipping in a heavy duty sonotube. Over 20 years of shipping thousands of kits, we have had very few damage claims, but all shipments are fully insured.
